Key D 4/4

Intro: D Dmaj7 D7 Gmaj7 C9 D A7sus4 A7

D Dmaj7 D7
1. Life can get you down, drive your dreams into the ground
Gmaj7 C9 D A7sus4-A7
And make you feel you will never try again
D Dmaj7 D7
When no one is there for you, showing that they care for you
Gmaj7 C9 Bm-Bm/a
To help you climb that hill that seems so steep
Gmaj7 A D / Dmaj7 / D / Dmaj7
I'll Hold You Close until you fall asleep

2. Friends can break your heart, tear your fragile world apart
And make you feel that you're alone without a prayer
When your friends have left you blue and you need somebody who
Will wipe away your tears each time you weep
Gmaj7 A D7
I'll Hold You Close until you fall asleep

G A D D/c# Bm
Bridge Some kind words, a gentle touch, these simple things can mean so much
G A D Dmaj7
Like a candle in the dark to light your way
Gmaj7 A F#m Bm
To help you heal your soul, turn two halves into a whole
Em G A
And turn that long and lonely night back into day

Break (bridge)

3. When years have drifted on and the children grown and gone,
And you feel that life is empty and too short
Still I will be there for you, showing that I care for you
Living that one vow I swore I'd keep

Gmaj7 A Bm-Bm/a
I'll Hold You Close until you fall asleep

Gmaj7 A D Dmaj7 D Dmaj7
Coda I'll Hold You Close until you fall asleep
